Orlando, FL 32817

Family Educational Rights and Privacy Act of 1974

The Family Educational Rights and Privacy Act of 1974 prohibits the release of privileged information to anyone except authorized personnel. If a student wishes another individual such as parents or spouse to have access to privileged information, he/she must complete the release form and return it to us before any information will be released. It is only necessary to complete this release one time. If there are any changes to this information, the student must notify us immediately.
